Ref EC 9-6265 dtd 23 Nov 58.

The JCS concur that we should continue to operate U.S. military convoys as in the past so long as the check points are under Soviet control to the extent of even one Soviet representative being present on whom the the responsibility can be placed, and that although we must maintain our rights we should not now seek to force a test of Soviet control in light of the larger problem which is developing. Accordingly, on this basis you are authorized to resume normal military motor convoys between West Berlin and West Germany at your discretion. State concurs.

NOTE: EC 9-6265 is DA IN 171903.
